Terms and Conditions

1 YEAR WARRANTY

All claims for parts or labor must be made directly through Babak. All claims must include: model number of the unit, the serial number, proof of purchase, date of installation, and all pertinent information supporting the alleged defect. In case of compressor replacement under warranty, either compressor or compressor tag must be returned to Babak along with above listed information.

Failure to comply with warranty policies will result in voiding claims.

One Year Parts & Labor Warranty

Babak warrants all new refrigerated components, such as the cabinet and all parts, to be free from defects in materials or workmanship. Babak's obligation under this warranty is limited to a period of one (1) year from the date of original installation. The labor warranty shall include standard straight time labor charges only and reasonable travel time, as determined by Babak.

R290 Compressor Warranty

The three year compressor warranty detailed above will be void if the following procedure is not carefully adhered to:

1. This system contains R404A or R134a refrigerant and lubricant. The lubricant has rapid moisture absorbing qualities.
2. Drier replacement is very important and must be changed when a system is opened for servicing.
3. Micron level vacuums must be achieved to insure low moisture levels in the system.
4. Compressor must be obtained through Babak, unless otherwise specified in writing, through Babak's warranty department.

What is Not Covered by This Warranty

Babak's sole obligation under this warranty is limited to either repair or replacement of parts, subject to the additional limitations below. This warranty neither assumes nor authorizes any person to assume obligations other than those expressly covered by this warranty.

Routine Maintenance requirements must be followed or warranty is Void

ANY SUCH ASSIGNMENT OR TRANSFER SHALL VOID THE WARRANTIES HEREIN AND SHALL VOID ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR LABOR COVERAGE FOR COMPONENT FAILURE OR OTHER THE WARRANTY PACKET PROVIDED WITH THE UNIT.

ALTERATION, NEGLIGENCE, ABUSE, MISUSE, ACCIDENT, DAMAGE DURING TRANSIT OR INSTALLATION, FIRE, FOOD, OR ACTS OF GOD:
