Specifications

Led Lighting

Stainless Steel Worktop

VC 1400

VBR12IR

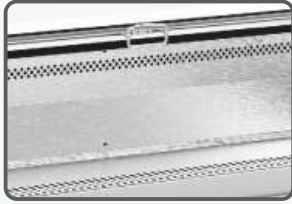

VBR18ISS

Vision Counter Case

- Wide product range for all types of commercial sales
- Full visibility of display products
- Illuminated glass middle shelf
- Double row led lighting
- Exhibition area in AISI304 stainless steel
- Front glass for easy access to exhibition and cleaning plan

VBR Pastry display cases

- Flexibility of layout to combine different types of sales
- High capacity with four exposure levels
- Folding front tempered glass
- Interior exhibition in AISI304 stainless steel
- Glass shelves with anodized aluminium profile
- High pressure injected polyurethane insulation, CFC's free
- Front decoration in water-repellent DM high resistance lacquer
- Electronic control
- Automatic defrosting
- 6000K led lighting on exposure, shelves and decorative
- Night curtain [SS model]

Night curtain [VBR SS]

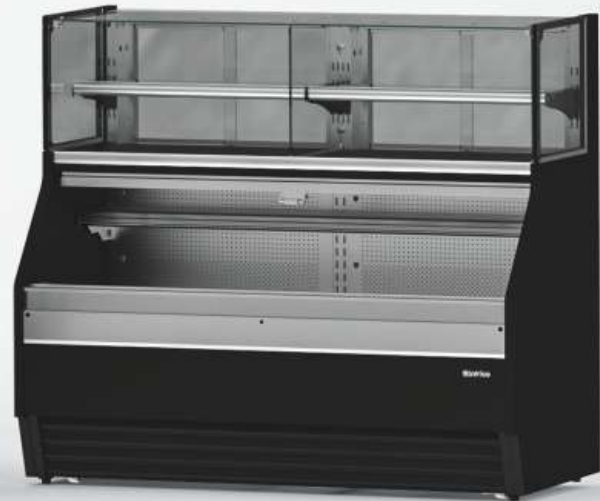

Back doors [VBR R/PR]

VBR12IPR

VCO15

VCO dual service display cases for bakery

- Dual service: refrigerated and ambient temperature
- Neutral upper part for the display and sale of neutral bakery product
- Bottom part for self-service refrigerated product sales
- Perfect mix for cross-selling in your sales area
- High capacity with 2 display levels

Lower part

- Module with built-in group
- High capacity with two exposure levels
- Interior in epoxy painted steel
- Front & side decoration in water-repellent DM high resistance lacquer
- High pressure injected polyurethane insulation, CFC's free
- Electronic control
- Night curtain
- Automatic defrosting
- Led lighting cold white 6000K on exposition deck

Upper part

- Neutral module
- Tempered front glass
- Rear sliding doors
- Double side glass
- Glass top shelf
- Anodized aluminium profiles
