PROFESSIONAL VENTLESS AIR FRYER

Hop is Everything, Everyone, Everywhere, Everyday

Hop has a double International Patent making this product unique in the market.
Hop, Italian design and technology for a more healthy fried food.

Versatile, practical and extremely healthy. The **HOP** multifunction oven can be positioned everywhere and can be easily used by everyone, everyday for every kind of ready-made frozen food. A patented air frying system ensures brilliant reliable performance, guaranteeing consistently excellent results and tasty, healthy food.

Perfect for making a wide variety of light, tasty snacks thanks to a total absence of cooking oil, reduced fat content and 50% fewer calories compared to products prepared with traditional frying.

ADJUSTABLE ROTATING BASKET FOR DIFFERENT COOKING TYPES

The patented rotating basket allow you to manage all kind of recipes. You can control rotation phases to get the best cooking results for any kind of frozen pre-cooked product. You can control cooking time for the most crispy result.

VENTLESS

When you eliminate vents and hoods from the kitchen, you reduce cooking costs, cleanup time, and risk of injury. Since HOP-PRO Ventless doesn't use hot oil, food service managers can eliminate grease fire insurance. With the smallest unit in the Ventless Frying industry, HOP offers the greatest profitability per square inch.

French Fries

Potato Wedges

Camembert Bites

Onion Rings

Mozzarella Sticks

Chicken Breast

Fry Fish

Ergonomic handles to remove the basket.

AVAILABLE VERSIONS

HOP-PRO VENTLESS

- 2 international patents
- Rotating basket
- Digital control panel
- 99 cooking programs
- 4 cycles for each cooking program
- Usb connection (up/down load recipes)
- Safety double - snap door handle
- 5 different basket rotating set-up

- Automatic pre-heating (300°C / 572°F)
- Time and temperature settings
- End cooking alarm
- Safety extraction handles
- Washing shower (optional S1)

HOP-PRO ventless

Power	4,75 kW / 24 amps
Voltage / Frequency	208-240 V / 60 Hz power cord W / NEMA 6-30P
Connection	Drain pipe
Temperature	260°C / 500°F
Weight	148 lbs
Product dimensions	27,8" x 29,2" x 29,5" (W x D x H)

Equipped with:

- 2 rotating baskets,
- 1 teflon tray,
- 2 Extraction handles

HOP-AIR

- 2 international patents
- Rotating basket, condensation system and carbon filter
- Digital control panel
- 99 cooking programs
- 4 cycles for each cooking program
- Usb connection (up/down load recipes)
- Safety double - snap door handle

- 5 different basket rotating set-up
- Automatic pre-heating (300°C / 572°F)
- Time and temperature settings
- End cooking alarm
- Safety extraction handles
- Easy clean
- Washing shower (optional S1)

HOP-AIR with condensation system

Power	4,75 kW / 24 amps
Voltage / Frequency	208-240 V / 60 Hz power cord W / NEMA 6-30P
Connection	Drain pipe
Temperature	260°C / 500°F
Weight	115 lbs
Product dimensions	27,7" x 31,7" x 21,8" (W x D x H)

Equipped with:

- 2 rotating baskets,
- 1 teflon tray,
- 2 Extraction handles
- 1 carbon filter
