LX-74RB

TRIPLE GLASS DOOR MERCHANTISER REFRIGERATOR

Energy efficient, eco-friendly HC refrigerant with low charge, spark-free components, and the lowest utility costs in its category.

KEY FEATURES

• Eco-Friendly Refrigerant

Environmentally friendly R290 hydrocarbon refrigerant has low Global Warming Potential (GWP). Meets all USA, California & Canada refrigerant & energy standards.

• Intelligent Electronic Control

Patented ETC1H electronic controller assures optimal refrigeration performance through precision temperature control, and intelligent control for defrost cycle, compressor & other component functions.

• High Power Reliable Refrigeration System

Fast pull down, optimal internal air circulation and reliable refrigeration, maintaining cooler temperatures for food preservation.

• Standard LED Lighting System

Ultra bright low energy interior LED illumination system provides optimal merchandise display visibility. Low profile, door mounted, clip-in LED design.

• Newly Designed Condenser

New condenser featuring a joints reduction down to zero increasing long term refrigeration reliability and safeguarding against any system leaks.

• Spark-Free Refrigeration Components

All Reach-In models have spark free refrigeration components for optimal safety, per UL requirements.

NEMA 5-15P

Signature **40/80 Warranty**
40 months parts and labor
80 months on compressor (part only)
