eurodib

Toaster

Eurodib's conveyor toaster have a capacity of 600 slices per hour. It comes with a heavy duty gear box and chain drive system and is built to manage high volume toasting. The unit is heated by dual robust metal incolony heating elements and the adjustable controls allow the operators to vary the amount of toasting. The unit can be adapted for pass through or return operation and has a large opening that makes it suitable for bagels and muffins.
