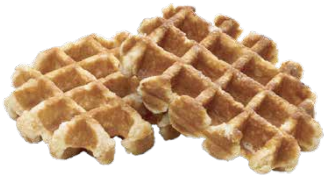
(1) year parts and labor



The Krampouz Double 180° Opening Waffle Maker is a commercial waffle maker known for its efficiency and high quality performance. Here are some of its main features and descriptions:

Double waffle capacity This waffle maker is designed to make two waffles at a time, increasing efficiency and output for commercial settings such as restaurants, cafes or breakfast establishments.

180 Degree Opening The unique 180 degree opening feature allows easy access to both sides of the waffle plates, simplifying the process of pouring batter, cleaning and removing cooked waffles.

Even cooking With precise temperature control and heat distribution, this waffle maker ensures even cooking, resulting in perfectly golden brown waffles with a crispy exterior and fluffy interior.

Durable Construction Built with durable materials, including stainless steel housing and cast iron waffle plates, the Krampouz Double 180 Opening Waffle Maker is designed to withstand the rigors of commercial use and provide years of reliable service.

Adjustable Thermostat The adjustable thermostat allows users to adjust cooking temperatures according to their preferences or specific recipes, ensuring consistent results every time.

Easy to Clean Removable waffle plates and drip pans make cleaning a breeze, reducing downtime between batches and ensuring hygiene standards are maintained.
