Warranty
(1) year parts and labor

The Krampouz Single Electric Waffle Maker with 180° opening is a professional machine designed to make delicious waffles with ease.

Efficiency This waffle maker is exceptionally efficient, allowing you to produce perfect waffles quickly and consistently. Its advanced heating technology ensures even cooking throughout, resulting in golden brown waffles with a fluffy interior every time.

Versatility Whether you prefer classic Belgian waffles, crispy American-style waffles or creative variations, it can do it all. Its versatile design accommodates different batter types and thicknesses, giving you the freedom to experiment with different recipes and flavors.

Durable construction Constructed of high-quality materials, including durable stainless steel, this machine is built to withstand the rigors of commercial use. Its rugged construction ensures long-lasting performance, making it an excellent investment for both professional kitchens and home enthusiasts.

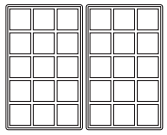

User-friendly features It is designed with ease of use in mind. Its intuitive controls and easy-to-read displays make it easy to use, even for novice users. The 180-degree opening feature allows effortless access to the heating plates for easy cleaning and maintenance.

Compact design Despite its professional features, this waffle maker has a compact footprint, making it ideal for kitchens with limited space. Its sleek and modern design adds a touch of elegance to any setting, whether it's a busy restaurant kitchen or a cozy home kitchenette.

Reliability Krampouz is known for its commitment to quality and reliability, and this machine is no exception. Backed by years of expertise and innovation, it delivers consistent results every time, ensuring customer satisfaction and repeat business.
