lamber®
P800EK

This multi-function universal washer is a high-capacity warewashing solution for demanding commercial foodservice operations. Combining intuitive controls, durable construction, and high-performance washing technology, it delivers reliable cleaning results while helping streamline workflows and simplify daily operations in busy kitchens.

FEATURES

- High-capacity wash chamber accommodates oversized cookware, sheet pans, pizza trays, and GN containers.
- Soft-touch electronic controls with digital thermometers provide simple and precise cycle management.
- Removable filters and rack guides make cleaning and maintenance quick and effortless.
- Stainless steel wash pump ensures dependable performance in demanding commercial environments.
