PACKING

No. BOTTLES PER BOX	12
BOX DIMENSIONS [mm]	320x240x320
BOX GROSS WEIGHT [kg]	13,8

PALLETIZATION

No. BOXES PER PALLET	50
GROSS WEIGHT PALLET [kg]	710

PHYSICAL PROPERTIES

For information on the chemical and physical properties of the product, consult the safety data sheet (Section 9).

INSTRUCTIONS FOR USE

- Before using the product, heat the plate to 50 ° C and remove the coarsest dirt and carbon deposits with the help of the scraper supplied with the SpidoCook plate.
- Allow the plate to cool down to room temperature.
- Rinse a non-abrasive sponge with warm water and spray the detergent thoroughly on it.
- Pass the cloth gently over the entire surface to be cleaned.
- Leave for a few minutes.
- Rinse the cloth with warm water and rub the surface until the dirt is completely removed.
- In case of more stubborn residues, spray the product again on the cloth or directly on the dirt and then remove it.
- After application, rinse with plenty of water..

WARNINGS

Store the product in the warehouse for a period of time not exceeding 2 years and in an environment away from direct light sources and temperatures between + 5 ° C / + 45 ° C.

For the exclusive use of qualified personnel. Before using the product, read the safety data sheet and the information on the label. Keep out of reach of children. In case of contact with the skin or eyes, wash thoroughly with water. The company is not liable for improper use of the product.
