XAFR04FSETDV

The BAKERLUX SHOP.Pro TOUCH convection oven is designed for food service operations that require high productivity in a compact footprint. Combining intuitive TOUCH controls with advanced baking technologies, it delivers consistent results, efficient operation, and the flexibility to handle a wide range of baking applications.

FEATURES

- TOUCH control panel stores up to 99 recipes and supports multi-step baking programs for consistent, repeatable results.
- STEAM.Plus, AIR.Plus, and DRY.Plus technologies optimize humidity, airflow, and moisture extraction to enhance product quality and baking uniformity.
- Dual fan speeds and adjustable humidity settings provide versatility across a variety of bakery and pastry applications.
- Efficient.Power technology delivers rapid heat-up times and reduced energy consumption through high-performance insulation and optimized airflow.
